ABOUT US

Harry's Shoes Plus has become the leading supplier to the Correctional Services Industry including both Adult and Juvenile Justice as well as the Immigration Centres.

Our team has developed ranges to cover the detainees' requirements in footwear, clothing, work-wear, personal care, recreational activities, religious and kitchen items.

We are actively expanding our listings and services, and our supply list is well in excess of 150 items, and growing all the time.

We have become the largest "one stop" supply house for many of our valued clients.

FREIGHT POLICY

Harry's Shoe Plus delivers all over Australia and as our business grows and expands more and more locations are joining our family of customers.

Our preference is to deliver FIS but sometimes this is just not possible. Primarily this is due to two things: [i] size of order and [ii] distance of journey.

If either of these two apply we will notify you of the possible freight charge.

Can't see the item you want in our catalogue?

Just call us, we will do our best to locate it at the **best quality & most affordable price** for you.

Our sensational prices are accessible via the **Website** or the **Master Price List** accompanying this catalogue.
