HARRY'S SHOES PLUS
2023 COLLECTION

OUR PROTOCOLS

Harry's Shoes Plus is a family business based in Victoria servicing customers in every state and territory in Australia.

Working with the Corrective Services and Juvenile Justice Industries in Australia for more than 15 years our vast experience and knowledge has allowed us to become one of the largest suppliers of clothing, footwear, personal care and kitchen items. We have designed and developed ranges and products specific to the needs of these Industries, with all items meeting their strict security requirements.

Known for our excellent service and professionalism, our supply list has grown beyond detainees' requirements as we have also been selected as a supplier for staff uniforms.

Here at Harry's Shoes Plus our team is dedicated and passionate about what we do and about doing it better than anyone else. We are approachable and helpful and often assist our clients in making sure that what they order is best suited to their needs. We stand by the quality of our products and guarantee that we will replace at no expense to the client any product that does not meet our sup-

FREIGHT POLICY

Harry's Shoes Plus delivers all over Australia and as our business grows and expands, we are fortunate that more and more locations are joining our family of customers.

Our preference is to deliver Free-In-Store but sometimes this is just not possible due to a variety of factors. The following destinations are freight free providing the value of the order is above \$2,000.00 exclusive of GST.

- Victoria (excluding Melbourne Metro where minimum value for FIS is \$500.00 exclusive of GST)
- Sydney Metro
- Southern NSW
- Brisbane Metro
- Adelaide Metro

All other orders and destinations are subject to a freight charge unless otherwise specified. If you have special arrangements with local carriers, we are happy to work with you to keep these costs to a minimum.

RETURN POLICY

In Australia, all goods sold come with a warranty for fair wear and tear. If these goods are found to be faulty they will be replaced.
